

Dritsas Groom McCormick (DGM) is a full-service accounting firm located in Fresno, California, looking to add a self-motivated individual to our dynamic and growing audit department. As one of the largest local firms in the area, we offer a tremendous work/life balance coupled with a diverse client base which will provide professional challenge and satisfaction. We pride ourselves on quality service delivered with a personal touch. The Audit Staff will work under the general direction of the Audit Partner or Manager.

Responsibilities include, but are not limited to, the following:

- Assist with attest engagements, including audits, reviews and compilations, on a wide variety of clients
- Direction of audit fieldwork
- Assignment of detail work to staff
- Preparation and/or review of working papers
- Preparation of financial statements and tax returns

A successful candidate will have the following qualifications:

- Bachelor's degree in accounting or finance
- 2-5 years of public accounting experience, including at least 2 years of auditing
- CPA preferred or actively working towards certification
- Strong communications skills – both written and spoken
- Ability to work effectively under the direction of multiple individuals and on multiple projects simultaneously
- Strong understanding of basic accounting principles
- Working knowledge of generally accepted accounting principles

Preferred skills:

- Experience with employee benefit plan audits
- Knowledge of the following accounting software: Lacerte, CCH Engagement

Why DGM?

Dritsas Groom McCormick has always operated with a people first mentality. We are a firm that strongly believes in and cares about our team members and clients alike. We seek to provide excellent benefits and a competitive compensation package. We are structured to offer tremendous growth opportunity for our staff. At DGM, you will work directly with a variety of partners and managers to strengthen and develop your professional skills. We encourage a work culture that prioritizes a work/life balance that is often missing in our profession. If you are an individual who seeks to work hard, grow, and enjoy life, DGM may be just what you've been looking for.
